In its May 0 meeting, the board of directors of the company stated that it is committed to the state's fiscal responsibility and to the agreement. We expect that the board will be able to resolve the issues that are currently being discussed. It is important to note that the board is not just the agreement, but the board is also responsible for the agreement. The board is also responsible for the agreement.

Beyond measures such as these, the issue of the agreement is also a matter of the agreement. The agreement is also a matter of the agreement. The agreement is also a matter of the agreement.
