What do I do if they tell me I am not allowed to vote?

- If you do not have your photo ID, or there is another complication that prevents you from casting a regular ballot, ask the poll worker to allow you to cast a provisional ballot.
- Casting a provisional ballot may require you to take extra steps before your ballot is counted, so be sure to ask the poll worker what else will be needed before you depart the precinct.

When might I be required to cast a provisional ballot?

- If you did not bring an ID to the polls, you have up to three days to visit your local elections office with your ID.
- If your name on the ID does not conform exactly with the polling book.
- If you show up at the wrong precinct, but in the correct county, and it is after 5 p.m. and you do not have time to go to your correct precinct. NOTE: Any vote cast by provisional ballot in the wrong precinct before 5 p.m. will no longer be counted unless it is cast after 5 p.m.
- You can check the status of your provisional ballot at "My Voter Page."
